## 2006 Kids' Safety Fair update

### Winona Sanchez Memorial

The Kids fair was a great success this year; we had about 600 kids come by during the day to enjoy local talent, free kites, hot dogs & sodas. The kids who participated in our Bike Parade did an excellent job on the creating a theme for each of their bikes. The judges had a hard time deciding the winners, three bicycle were giving for first prize, three \$25.00 gift certificates for 2<sup>nd</sup> prize, three remote control toys were give for 3<sup>rd</sup> prize & two honorable mentions. State Police photographed & fingerprinted about 115 kids. Thanks to all who donated to the Scholarship fund and to all that donated their time, money and energy to help the New Mexico State Police make this years fair such a success.

### Congratulations to the recipients for the Winona Sanchez Memorial Scholarship:

## TOWN UPDATES:

The design engineer for the sewer presented his 50% design review to the council in **mid-May**. The engineer presented the route proposal and Council discussed the projected costs and scheduling of the project. Mr. May the project engineer explained that increases in construction costs will place the price of construction even higher than anticipated and the Council may want to look at ways to save money. One suggestion was to phase the construction of lines on the south side of Interstate 40, this and other ideas will be explored further in upcoming Council meetings. There is a tentatively scheduled 75% design review on June 27th.

The Town will occupy the new municipal offices during the week of June 12-16, we are sorry for any disruption in service during this move.

The positions of Administrative Clerk, Code Compliance/receptionist and Park & Recreation Director are all currently available.

The Town Council will complete work on the budget for the 2006-2007 fiscal year which starts July 1.

Come out to **WILDLIFE WEST in EDGEWOOD for its Fourth Annual MUSIC and BLUEGRASS FESTIVAL!!!!**
